## ADDENDUM #4

RFP403PURHCS

Request for Proposals  
For  
Health Care Services

Reference is directed to RFP 403PURHCS for health care services for the Office of Youth Services.

The following changes are to be made to the referenced solicitation:

### PAGE 9-10, Section 2.6 - Table 2.6 – Calendar of Events

YS has deemed the below referenced changes to the calendar of events necessary to accommodate the schedule availability of the panel reviewing the bids. Because the agency has delayed the start date of the contract to 9/1/10, and because review panel requirements have impacted our ability to identify the top 2 bidders on the original timeline, the agency has decided to extend the proposal submission deadline by two weeks to allow potential bidders that conducted site visits additional time to review data and prepare submissions.

<b>Proposal Submission Deadline</b>	<b>04/09/2010</b>
<b>Proposal Presentations for the top 2 selected</b>	<b>05/12/2010</b>
<b>Notice of Intent to Award</b>	<b>05/14/2010</b>
<b>Initiate Contract Negotiations</b>	<b>05/17/2010</b>

The question and answer period regarding this RFP has closed.

All equipment listed in Addendum #2 for this RFP will be available for use by the new contractor.

NOTE: YS reserves the right to amend and/or change this calendar of events, as it deems necessary.
